

Quimbaya Gold Announces Annual General Meeting Results and Board Changes

April 1, 2025

Vancouver, British Columbia--(Newsfile Corp. - April 1, 2025) - Quimbaya Gold Inc. (CSE: QIM) (OTCQB: QIMGF) (FSE: K05) ("**Quimbaya Gold**" or the "**Company**") is pleased to announce that shareholders voted to approve all items of business put forth to shareholders at the Company's Annual General and Special Meeting ("AGSM") held on March 28, 2025, including the election of directors, fixing the number of directors, appointment of the Company's auditor, approval of the equity incentive plan, and the continuation of the Company under the *British Columbia Business Corporations Act*.

The board of directors and the Company would like to thank Mr. Bayona, who did not run for re-election, for his service to the Company and would like to wish him well in his future endeavors.

Additionally, at the AGSM, Sebastian Wahl was elected as new independent director of the Company. Sebastian Wahl brings over 15 years of experience in the mining industry, specializing in precious metals trading and corporate development. As a co-founder and former Vice President of Corporate Development at Silver X Mining Corp., he played a pivotal role in consolidating assets and advancing projects in South America. Mr. Wahl holds a B.Sc. in Business Administration from the Graduate School of Business Administration in Zurich and a Financial Modelling certification from the Corporate Finance Institute. Fluent in Spanish, he possesses extensive expertise in South American mining operations and capital markets.

Mr. Alexandre P. Boivin, President & CEO stated, "We are excited to bring Sebastian on as an independent board member. His strong experience in South America and European connections will complement the Company as we strive to become an established player in the Colombian mining exploration space."

About Quimbaya

Quimbaya aims to discover gold resources through exploration and acquisition of mining properties in the prolific mining districts of Colombia. Managed by an experienced team in the mining sector, Quimbaya is focused on three projects in the regions of Segovia (Tahami Project), Puerto Berrio (Berrio Project), and Abejorral (Maitamac Project), all located in Antioquia Province, Colombia.

Cautionary Statements

Certain statements contained in this press release constitute "forward-looking information" as that term is defined in applicable Canadian securities legislation. All statements, other than statements of historical fact, included herein are forward-looking information. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends", "expects" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". Forward-looking information by its nature is based on assumptions and involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Quimbaya to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. Although Quimbaya's management believes that the assumptions made and the expectations represented by such information are reasonable, there can be no assurance that the forward-looking information will prove to be accurate. Furthermore, should one or more of the risks, uncertainties or other factors materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements or information. Readers are cautioned not to place undue reliance on forward-looking information as there can be no assurance that the plans, intentions or expectations upon which they are placed will occur. Forward-looking information contained in this news release is expressly qualified by this cautionary statement. The forward-looking information contained in this news release represents the expectations of Quimbaya as of the date of this news release and, accordingly, is subject to change after such date. Except as required by law, Quimbaya does not expect to update forward-looking statements and information continually as conditions change.

Neither the Canadian Securities Exchange nor its regulation services provider accepts responsibility for the adequacy or accuracy of this release.
